

Student Name _____

7th and 8th Grade Math Summer Work 2024

Each student will be required to complete a Summer Math Skills Sharpener book this summer. The link for ordering will be provided below. Please order the book listed below the class your student will be taking next year. Promptly remove the answer key in the back. Each student in Pre-Algebra and Math 8 will complete Lessons #1-25 (Lessons #26-35 will be extra credit if completed) and show work in the book as needed. Each student in Algebra and Geometry will complete Lessons #1-30 (Lessons #31-35 will be extra credit if completed) and show work in the book as needed. CALCULATORS may be used when the problem says to use one.

The completed book will be collected on Book Day and will be given a completion grade. Your student's math teacher will give a quiz the first week that will be problems directly from the book. These will be the first two math grades for Quarter 1.

There are HELP pages in each booklet if your student is stuck. Also, there will be a Math Lab offered on five Wednesday mornings from 8-10 on the dates listed below. This is a time that students can come and work on their summer math and receive help if needed.

Math Lab Dates

Wednesday 8-10:00 a.m.

June 12, 19, 26

July 10, 24

Please order the book listed under the class your student is taking next year.

Pre-Algebra Summer Math Skills Sharpener Grade 6 complete Lessons #1-25

(Lessons #26-35 will be extra credit if completed)
