Kaleidoscope Fall Session Information

Registration will go through the school. Please return form and payment (made out to the school) to the office or homeroom teacher. If registration is completed online, a paper form doesn't need to be returned. For general questions about Kaleidoscope contact Tonya Cooper at tcooper@seeschool.com. Space is limited in every class. If a class is full after you send in your registration, Ms. Cooper will contact you as soon as possible to see if a different class might work instead. If minimum numbers are not met, Ms. Cooper will contact the parent to see if a different class will be acceptable and any payments will be returned as needed. Please make sure your child's schedule will accommodate a class before registering. Withdrawing after registration is closed causes potential problems with meeting class minimum numbers. Registration for the fall session closes at midnight on Tuesday, September 10th.

In addition to the registration form (Pg. 1 of this document), parents must also sign a Adult Hold Harmless/Indemnity Agreement for each activity (SEE BELOW).

Kaleidoscope students go to Father Herbert Hall at dismissal. Younger students are escorted by a teacher. From 3:00-3:15, the students will have a snack (please let Tonya Cooper know about any food allergies). Vendor teachers will meet students in Father Herbert Hall to pick up students for their class. Classes are from 3:15-4:15. Dismissal begins at 4:15. Vendors dismiss students. Ms. Cooper will contact parents to let them know where dismissal will occur. Students who go to daycare will be checked into daycare after dismissal is over. It is very important when you register to let us know who your child will be picked up by or if they go to daycare. See Calendar of dates above.

Class descriptions are listed below the Adult Hold Harmless / Indemnity Agreement.
