Purchase Online Gift Cards to Benefit SEES

Thank you for taking the time to consider this program for the benefit of SEES. It is an easy way to help raise money for SEES. You can buy electronic gift cards online 5 minutes prior to using them via the ScripNow process. Each vendor has different percentages that are donated to SEES. Every little bit will add up to become a large amount for SEES. Here are examples of how easy it is to raise money for SEES.

Movie and Lunch Outing

A family movie and lunch outing earned \$8 for SEES. Regal Movie Theatres and Buffalo Wild Wings both contribute 8% of the total gift card purchased. Prior to leaving the house, I accessed the ScripNow site via my mobile phone. Within 5 minutes the egift cards were available on the site. I had to pull up the gift cards at the theatre and restaurant. They entered the code from the gift card into the system to cover the bill. I did not use the full amount at Buffalo Wild Wings. The remaining value is available for the next visit or I can add more to cover a larger bill.

New Work Shoes

New work shoes purchase from Zappos earned \$8 for SEES. Zappos contributes 8%. Prior to ordering the shoes online, I purchased an egift card for Zappos.

Christmas Gift

A Christmas gift purchased from Bed Bath and Beyond earned \$2 for SEES. Bed Bath and Beyond contributes 7%. In the parking lot on my mobile phone, I purchased the egift card. By the time I walked into the store the card was available on my phone to purchase the Christmas gift.
