

## 5/22/20 Parent Update

- 8th grade appreciation/ graduation - Thank you to everyone who made the 8th grade appreciation wonderful! It was a great day, and I think the students and parents really appreciated it. We will start individual 8th grade graduation ceremonies next Tuesday.
- School Awards - In order to properly recognize all of our school award winners, we will be holding the 2019-2020 school awards when we return in August.
- Facility/ Item Pick up - As of today, we are allowing 10 teachers back into the building at a time to begin cleaning out their classrooms. Once we have gotten most of the teachers through, then we will set up some times for families to come pick up items that were left in the classrooms.
- End of Year Schedule - Next week is our last week of instruction. Friday, May 29 will be last instructional day. Monday, June 1 is Virtual Field Day and Tuesday, June 2 is final day prayer service in the morning. More specific information will come out next week.
- Summer Assignments - Summer assignments will be coming out in the next few weeks. We really want our students to be outside and enjoying the summer with their families. We are going to make more of the summer assignments optional to allow more flexibility for our families.
- Enrollment/ Finance - Our enrollment and budget for the 2020-2021 school year look good. Our retention numbers in all of our grades remains very high.
- Staff- Our staff retention rate is very high. All of our classroom teachers are returning. We will be looking to hire one full-time instructional assistant and one part time instructional assistant once we are allowed to hire new staff.
- Next Year - We are working very hard to prepare for all scenarios to return to school in August. Once we have any specific information, we will send it out immediately.
