

It's time to celebrate!

National Catholic Schools Week 2018 begins January 28, 2018!

Since 1974, National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts the last Sunday in January and runs all week, which in 2018 is **January 28 - February 3**. **The theme for the National Catholic Schools Week 2018 is “Catholic Schools: Learn. Serve. Lead. Succeed.”** St. Edward-Epiphany Catholic School will observe the annual celebration week with Masses, open houses and other activities for students, families, parishioners and community members. Through these events, schools focus on the value Catholic education provides to young people and its contributions to our church, our communities and our nation. We hope that you and your family will join us as we celebrate. **A complete guide to the week's events can also be found in our weekly blast, our official SEES facebook page and our website, at www.seeschool.com.**
