## Kaleidoscope Spring Session Information

Kaleidoscope Spring Session will start on March 6th for Tuesday classes and March 8th for Thursday classes.

**Although Kaleidoscope classes meet for six weeks, due to Easter Break and an early dismissal day we will not meet for six *consecutive* weeks. (See Class Schedule below).**

**Registration will go through the school.** Please return form and payment (made out to the vendor, not to SEES) to the office or homeroom teacher.

**For general questions about Kaleidoscope contact Tonya Cooper at [tcooper@seeschool.com](mailto:tcooper@seeschool.com) - Space is limited in every class, so register early.**

### Class and Dismissal Procedures

Kaleidoscope students go to Father Herbert Hall at dismissal. Younger students are escorted by a teacher. From 3:00-3:15 the students will have a snack (Please let Tonya Cooper know about any food allergies). Classes are from 3:15-4:15 and are dismissed at 4:15. Students who go to daycare are then checked into daycare. It is very important when you register to let them know who your child will be picked up by or if they go to daycare. Ending dates are April 17 for Tuesday classes and April 26th for Thursday classes.

### **Challenge Island's Mythology Island**

Gear up for an adventure of epic proportions on the Percy Jackson-inspired Mythology Island! You and your tribe will travel back to ancient Greece where you'll take on myth worthy challenges at destinations like Poseidon's Seas, Parthenon Party Place, and Medusa's Pet Rock Playground. This incredible island is sure to sell as fast as Zeus's lightning bolt, so sign up in a flash! Challenge Island is a wildly popular enrichment program that emphasizes STEAM (Science, technology, engineering, arts, and math) and core language arts skills. Students build and "travel" while learning leadership skills and working together.

**Cost: \$75**

**Day and Time: Thursdays, 3:15 - 4:15pm**

**Grades: K-5th**

### **Championship Chess**

Championship Chess presents a systematic, fun way to build chess skills during chess instruction and while students play. Studies show that chess improves math, reading, and problem-solving skills, and our methods connect these academic benefits to our classes. Classes include instruction as well as chess play and guided analysis. Students will also be able to accomplish Achievement Cards online outside of the classroom.

**Cost: \$85**

**Day and Time: Thursday, 3:15-4:15**

**Grades: 2nd-8th - \*Younger students also welcome if they know how to play already.**
