Seating for the Luncheon: Table seating will be assigned by families. Students will be given their table numbers in class and will meet their grandparents at their assigned tables.

Check-in: Grandparents will receive their table numbers when they check-in to the luncheon. The check-in table will be by the main double doors that connect the church Commons to the gymnasium. Grandparents are invited to gather in the church Commons prior to check-in.

Dietary options/allergies: We have tried to provide a variety of options to address dietary choices and/or allergies; however, we understand that there may be some students or guests that are not able to enjoy our menu options. In that case, we ask that you still note their attendance but mark "No Lunch" in the provided menu choice blank. Those that are not able to enjoy our menu options may bring their own lunch - It is not necessary to pay for students or guests that bring their own lunch. Unfortunately, we are not able to alter or make substitutions to our selected menu options.

Questions or Concerns: Please feel free to reach out to Karen Setzer with any questions or concerns (karen.setzer@gmail.com).
