

ST. EDWARD-EPIPHANY CATHOLIC SCHOOL CELEBRATES

2019 CATHOLIC SCHOOLS WEEK

JAN 27, 2019 - FEB 2, 2019

Catholic Schools
Learn. Serve. Lead. Succeed.

What is Catholic Schools Week?

Catholic Schools Week is an annual celebration of Catholic education and an opportunity for the our community to recognize the importance, the value, and the contributions of Catholic education. SEES, along with Catholic schools across the nation, commemorate Catholic Schools Week with celebrations, Masses, open houses, and activities for students, families, parishioners, and community members. Catholic Schools Week events showcase and celebrate the rich traditions and the incredible value of Catholic education on both a local and national level.

Together, We Celebrate!

Each day of Catholic Schools Week, we will have different activities and events that provide our community the opportunity to celebrate our school and the community that surrounds us. The theme for 2019 Catholic Schools Week is: Learn. Serve. Lead. Succeed. We encourage parents, grandparents, parishioners, prospective families, visitors and community members to join us and see first hand the benefits of students learning, playing, praying and living out their faith here at SEES.

Below you will find the theme for each day. For details and additional information about daily events, please see the reverse side of this page and check our website, school office blasts and messages from teachers and room parents:

Sunday: Celebrating our Parish

Monday: Celebrating our Community

Tuesday: Celebrating our Vocations

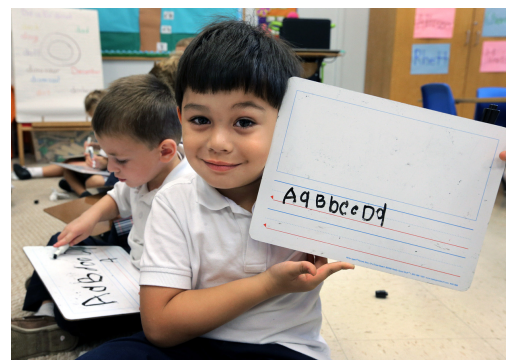

Wednesday: Celebrating our Nation

Thursday: Celebrating our Families, Faculty, Staff & Volunteers

Friday: Celebrating our Students

Thank you SEES parents! Your support during this exciting, yet busy time is deeply appreciated by our entire community! Please remember that all of the activities and events are completely optional and that each family should decide where to lend their support - together, we can accomplish anything!

If you have any questions about any of the events for the week, please do not hesitate to contact the SEES front office.
