Signature - Parent/Legal Guardian	Date
Home Phone Number - Parent/Legal Guardian	Work Phone Number - Parent/Legal Guardian

GUIDELINES FOR PRESCRIBING MEDICATIONS TO BE ADMINISTERED TO STUDENTS DURING THE SCHOOL DAY

We welcome your support in providing services to our students. When prescribing medications for school age children, kindly consider the following requests and policies:

1. Whenever possible, avoid prescribing medication for administration during school hours, especially medications to be administered for a short period of time.
2. Schools are required to have appropriately labeled pharmacy/physician containers. These will be kept under lock and key in the school clinics.
3. Carrying of inhalers on the person is discouraged, unless ordered by the physician, because such items are easily stolen, lost, or forgotten at home, leaving the student in a dilemma and possibly in a medical crisis.
4. Any change of prescription requires a new written order from the prescribing physician.
5. Schools are readily accessible by FAX for quick communication.
6. Students are not allowed to transport medication on their person to and from school.

Thank you for helping us provide the best possible services for students taking medications.
